Position: Landscape Technician/Laborer- Entry Level

Start Date: Early Spring 2019

Salary: Competitive hourly wage; experience and licenses considered

Location: Elmhurst or Long Grove office

Conservation Land Stewardship, LLC is a native landscape restoration firm that provides services throughout the upper Midwest. We specialize in ecological restoration, native landscape construction, water resource management, and site stewardship.

We are currently looking for dedicated individuals who are interested in an entry level career in natural resources, like to work outside and care about protecting the environment.

Position Description and Responsibilities: Specific job tasks include invasive plant species control, native plant and seed installation, prescribed burning and brush and tree removal. Majority of work is outdoors and may involve using heavy equipment such as spray rigs, backpack sprayers, augers and chainsaws. The position is full time, but does depend on workload and weather conditions.

Qualifications:

Required:

- Valid driver's license and a good driving record
- Ability to report directly to the work site if necessary
- At minimum, a high school diploma or associate degree
- A professional work ethic with attention to detail and safety
- Ability to walk 1-3 miles in rough terrain and be able to lift and use heavy equipment

Preferred:

- Possession of or willingness to obtain an Illinois Pesticide License
- Experience in prescribed burns and native plant identification
- Experience with chainsaws, brush saws, 4x4 ATV/UTV beneficial
- 1 Year previous experience

Additional Information: This is a full-time position, in a positive environment with an emphasis on teamwork. Compensation to be based on qualifications and experience, with potential to advance.
